Frequently Asked Questions

How does my contribution help?

The spirit of generosity has been evident at Henry Mayo Newhall Hospital from the day it opened. Our employees have been passionate about supporting past capital expansion campaigns and the life-saving work happening around them every day. Cardiovascular Services is one of the most important campaigns Henry Mayo employees can support. As we expand to better serve our community, your contribution will be your personal philanthropic investment in our future. Your participation in the Employee Giving Campaign sends a profound message to our community that our employees not only work at Henry Mayo, but are personally invested in our mission. Whether through payroll deduction or a one-time gift, your donation will go a long way in continuing and expanding our extraordinary care -- helping us build for your future.

Is my donation tax-deductible?

Yes! Your donation is tax-deductible to the extent permitted by law. If your total annual donation is \$250 or more, you will automatically receive a letter in January for tax purposes; for donations less than \$250 per year, we are happy to send you a tax substantiation letter upon request.

If I donate through payroll deduction, can I change or stop my contribution?

Absolutely – while we hope that you will continue your donation for at least a year, you are free to make changes at any time. If you would like to make a change to the amount, or to stop your payroll deduction, please contact the Foundation at 661.200.1200 and we will be glad to take care of your request.

*Thank you for your commitment and support
you truly make a difference*
